A bottle of Pessegueiro Douro DOC 2017 wine is the central focus, featuring a white ribbon tied around its neck. The bottle's label depicts a romantic couple kissing and includes the text 'PESSEGUEIRO DOURO DOC 2017'. To the right, a glass of red wine sits on a silver tray, and behind it, a vase holds several vibrant red roses. The entire scene is set against a solid red background.

Prolic
Opening a bottle wine is always time for a celebration...
Whether the occasion and we
wanted this simple piece allow you to remove the
moment with its triangular top
acting upwards in jubilation & always
sets the scene for the beginning of a party!

Conch

The form came out of one single shape carved with a
flame and symmetry lines of nature.
This ergonomic module comfortably envelopes the bottle
until it is pushed away withdrawing the cork in one smooth action
revealing its glorious contents as an oyster would its pearl.

Item No.: BR-HK040

Opera

As the name suggest we wanted a formal feel in presence. It had to be strong, look yet functional and graceful.
Opera is the center piece for any occasion where a bottle of wine is being opened.

Item No.: BR-HK045
Description: Magnium metal stainless
Corking/Prick/Size: Chrome plated / metallic / soft grip
Material: ABS, zinc alloy, handle seal top zinc coated steel
Package: Color box

Magnum

Magnum is a simple elegant design.
The opener has been pared back to its core identity with the simplicity of a winecorker soft and we make a single curve.
We wanted this to be the corkcorks that you just have to pick up when if you don't have a bottle of wine at the table.

Wine chill stick

After just one hour in the freezer,
your CHILL STICK is ready to do the hard work for you.
Just pour the first glass cover the cooling stick to your bottle in 1 hour.
Then enjoy refreshingly chilled wine.
